Parent Correspondence -- Early Dismissal Request

From: Renata Ferreira <r.ferreira@example-parent-mail.com> | Re: Mateo Ferreira, Grade 7, Homeroom 214 | Correspondence ID: PC-2026-0417

Message

Mateo has a dentist appointment on Thursday and will need to leave school at 1:00 PM.

Please excuse the early dismissal.

Could someone confirm whether his makeup work for the missed period will be posted to the parent portal?

He will be picked up at the front office, not the bus loop.

This is a routine appointment, not related to any ongoing concern.

Also

Following up on the IEP review meeting -- has a date been set yet?

Please loop in his case manager if a date is chosen this week.

Contact

Best reached by email during school hours; phone after 4 PM.

Preferred pickup contact remains the parent, not the emergency contact.

Background

No prior early-dismissal requests filed this semester.

Homeroom teacher already has a copy of the standing pickup list.

Mateo's attendance record is otherwise unremarkable this term.

No transportation changes needed for the remainder of the week.

Closing

Thank you for your help coordinating this on short notice.

Happy to provide a written note from the dentist's office if needed.

Please confirm receipt of this message at your earliest convenience.

Reachable at this address for any follow-up questions this week.
