IT Help Desk Ticket HD-2026-0417

Submitted via media-center kiosk | Grade 11 | Student ID S-88214 | Device: Chromebook asset CB-4471 | Category: Account Access | j.alvarez@example-student.k12.nj.us | Ticket: HD-2026-0417

Issue

Locked out of district Google Workspace account after repeated failed login attempts this morning.

Chromebook (asset CB-4471) is also showing an MDM lock screen left over from a prior loaner swap.

Also unable to open the shared Drive folder for AP Calculus homework.

Kiosk login screen shows error code AUTH-4471 on repeated attempts.

Request

Requesting a password reset and a device unlock so coursework due today can be submitted on time.

If a same-day reset is not possible, please confirm the next slot.

Additional

Homeroom teacher: R. Delgado, Room 214.

This is the first help-desk ticket filed on this account this term.

Enrolled in AP Calculus BC, Period 3, with Ms. Delgado.

Preferred contact method is the district email address above.

Available during lunch period (12:10-12:50) for a follow-up.

History

Account created August 2023; no prior lockouts on record.

Device issued at the start of the current school year.

No open device-repair or replacement tickets on this asset tag.

Submitter has completed the district's annual AI-use acknowledgment.

Last successful login recorded two days prior to this ticket.

Ticket queue position confirmed at intake; no escalation flags set.
