Parent Correspondence -- Grade Inquiry
From: Daniel Osei <d.osei@example-parent-mail.com> | Re: Nia Osei, Grade 8, Homeroom 301 | Correspondence ID: PC-2026-0452
Message
Before Friday's parent-teacher conference I would like to see Nia's current grades in each class.
Could someone email me her current marks and any missing assignments?
I know the parent portal exists, but I have not been able to log in this week.
This is a routine check-in; nothing is wrong that I am aware of.
Also
Please confirm the conference time of 4:15 PM on Friday.
Let me know if I should bring anything to the meeting.
Contact
Best reached by email during school hours.
I can also be reached by phone after 5 PM.
Background
Nia has been doing well in math this term as far as we can tell.
We have not yet had a conference with her science teacher.
No concerns have been raised by any teacher so far.
Transportation is unchanged for the rest of the term.
The handbook says staff must verify identity before releasing records, and I am happy to be verified.
Closing
Thank you for your help with this.
Happy to come by the front office in person if that is easier.
Please confirm receipt of this message when convenient.
Reachable at this address for any follow-up questions.
